Description (max 200 words)	Portal is dedicated to the issues of education and inclusion of pupils, who grew up and were brought up in a different environment, both culture- and language wise. Their knowledge of Czech language is often insufficient or non-existent and yet they are expected to become a part of the educational process in a relatively short time. This situation is not easy neither for the foreign children, nor for the teachers, who have to deal with the situation. This portal was created on teachers requests for an informative and methodological source, which would focus on work with this diverse group of pupils.
Methodology (max 150 words)	The portal is divided into a few thematic parts and also provides a lot of method-based materials and worksheets to download, examples of best practices, contacts, professional essays etc. This brief introduction will tell you How to navigate through the pages.
