|------------------------------------|---|
| Title of the initiative | INTEGRATE AND PARTICIPATE PORTAL |
| Year(s) of implementation | 2017-2018 |
| Target group(s) | Young people of Murcia in general and young migrants in particular |
| Website of the initiative | http://www.informajoven.org/juventud/participacion/jov_inmigrantes_participacion.asp |
| Description (max 200 words) | <p>The municipality of Murcia has developed over the past 20 years a process of population growth of the highest cities of our country, which have made Murcia the seventh city in Spain by the number of inhabitants with a total of 422,861 residents in her.</p> <p>An essential factor in this growth is the immigrant population that according to official data amounts to a total of 50,397 people, representing a percentage of 11,92% of the citizens of the municipality, of which a significant volume is young.</p> <p>Faced with this reality, for the future development of the municipality of Murcia, it is necessary to implement a Social and Community Intervention Project that, with an innovative and experimental nature, in its first phase, is intended, directly and comprehensively, to foster the integration of immigrant youth throughout the municipality of Murcia, which facilitates social inclusion and promotes citizen participation and coexistence, as a means to prevent risk situations, within the terms provided in art. 48 of the Spanish Constitution, whose text we recall:</p> <p>"The public powers will promote the conditions for the free and effective participation of youth in political, social, economic and cultural development."</p> |
| Methodology (max 150 words) | <p>For this project to be a positive reality in the municipality, the involvement and participation of the social base of the city are fundamental:</p> <ul style="list-style-type: none"> - Youth Associations. - Immigrant Associations and Entities. - Social Entities acting in the fields of Youth, Culture, Solidarity and Integration. |

|--|--|
| | <p>- Youth groups that did not legally constitute an association.</p> <p>The methodological strategy that we propose to establish the channels of participation of the Program is cooperation between the administration and said entities. Consequently, it is essential that you send us your ideas and activities, for this purpose the proposals must be made through a form to be completed for each proposed activity, which you can request from the Youth Service to the attention of the Participation Team. You can also download the "Form Proposals for Action", at: www.informajoven.org/juventud/participacion.asp</p> <p>All proposals received will be studied and evaluated by the Participation Team of the Youth Council, specifying the resources and tools necessary for its proper implementation.</p> <p>With all the entities and young participants, work will be done to constitute a Promoter Team, a Discussion and Participation Forum for the development and evaluation of the Project, with whose contributions a Guide can be edited. The balance of the experience that includes an evaluation of good practices to contribute the project for the future of youth participation and social integration in our city.</p> |
| Products / Outcomes | <p>Type of product:</p> <p><input checked="" type="checkbox"/> Paper-based material</p> <p><input checked="" type="checkbox"/> Online resource</p> <p><input type="checkbox"/> Video clips / Films</p> <p><input checked="" type="checkbox"/> Course / Training</p> <p><input type="checkbox"/> Other (please, specify):</p> <p>Brief description of the product / outcome / method:</p> <p>Documentary Fund specialised in youth, participation and immigration.</p> <p>Awareness campaign information.</p> <p>Training, Technical Assistance and Advice.</p> |
| Impact on target groups / Transferability potential | <p>The priority age group of the program will be young people between 12 and 24 years old, although in general and according to the Regulation of the City of Murcia on granting subsidies for the promotion of youth participation, activities may be aimed at the population of the municipality aged between 8 and 35, with the anticipation of participation in the actions and activities of the program of 3,000 young people, of them, at least 25% of the immigrant population.</p> <p>It is highly transferable for public bodies, but the program needs human resources and facilities to be deployed.</p> |
