

Issue 2, December 2020

### Check out the InterCult outcomes!

InterCult has developed an Intercultural Trainers Kit which provides different methodologies and techniques for improving the intercultural skills of educators for delivering efficient language training to adult migrants. In addition to the Kit, InterCult has also developed a collection of good practices at EU level providing successful methods and approaches for work in a multicultural environment as well as a train-the-trainer programme for training educators working with migrants to use and apply the Kit in the teaching process.

The project outcomes are available at [www.intercult-project.eu](http://www.intercult-project.eu).

### INTERCULTURAL TRAINERS KIT

The Kit is designed for educators working with migrants to improve their intercultural skills related to mutual understanding, cultural dialogue, tolerance and inclusion, awareness raising on cultural specifics of migrants and utilization of opportunities to use these specifics in a learning environment. The tool provides principles and practice of interculturalism in language education and guidelines for work in a multicultural environment. It includes over 20 teaching techniques as well as an Interactive space where users can test their knowledge.

The Kit is available in 6 languages (English, French, Bulgarian, Spanish, Czech and

German) both on the project website and on a USB carrier.

### COLLECTION OF GOOD PRACTICES

The collection includes more than 35 good practices providing successful methods and approaches for work in a multicultural environment, promotion of tolerance, diversity and inclusion in the learning

process, application of intercultural teaching resources, raising the participation and attainment of adult migrants in the educational process, etc.

The good practices are grouped within 5 sections – Promotion of intercultural skills of adult educators, Promotion of tolerance, diversity and inclusion in the learning process, Application of intercultural teaching resources, Raising the participation and attainment of adult migrants in the educational process, Training of teachers working with adult migrants.

#### GOOD PRACTICES

In this section you will find a collection of more than 35 good practices which provide successful methods and approaches towards work in a multicultural environment, promoting tolerance, diversity and inclusion in the learning process, application of intercultural teaching resources, raising the participation and attainment of adult migrants in the educational process, etc.

The good practices aim at improving the intercultural skills of migrant educators and at helping them include new approaches towards work in a multicultural environment in the teaching process.

- Promotion of intercultural skills of adult educators -
- Promotion of tolerance, diversity and inclusion in the learning process -
- Application of intercultural teaching resources -
- Raising the participation and attainment of adult migrants in the educational process -
- Training of teachers working with adult migrants -

## TRAIN THE TRAINER PROGRAMME

The programme is designed for training educators working with migrants to use and apply the Intercultural trainers' kit in a learning environment. It contains 16 hours of face-to-face learning and 8 hours of self-directed learning covering two modules:

- Module 1: Promoting mutual understanding and cultural dialogue
- Module 2: Promoting interculturalism, tolerance and diversity in the learning process.
